COMBI STEAMER

FLEXICHEF

INDIVIDUAL

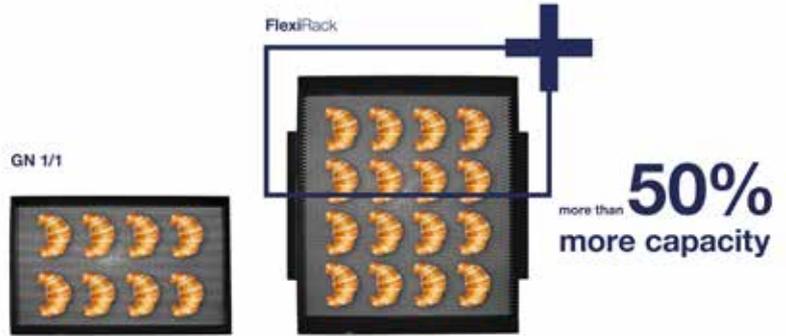

MODULAR

Capacity

More cooking capacity* – it's easy with FlexiRack®. The smart cooking chamber concept utilises the whole cooking chamber optimally.

Your benefits: a huge plus in capacity as well as increased productivity. Our flexibility concept speeds up all of the various processes in professional kitchens. And you not only save time, but valuable energy as well.*

Combi steamer 10.1 with GN 1/1	Combi steamer 10.1 with FlexiRack®	Your added value*
24 chickens/charge	36 chickens/charge	50% more*
80 schnitzels/charge	120 schnitzels/charge	50% more*

* Compared to MKN combi steamers GN 1/1 and for the case that 2 cooking processes should be required for the same production quantity.

Starter package

Ill.: MKN-No. 10013929

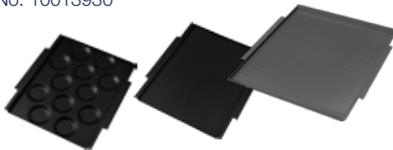

The starter package is the ideal basic package for FlexiCombi® use. With the universal package, ideal cooking results are guaranteed with perfectly even heat distribution and thermal conductivity, whether baking, roasting or regenerating.

Consisting of: 1 x FlexiRack® baking tray perforated (202368)
1 x FlexiRack® roasting tray non-perforated (202369)
1 x FlexiRack® grid (206045)

Baking package

Ill.: MKN-No. 10013930

The package for baking professionals. The special coating enables you to prepare bakery products, omelettes and fried eggs completely evenly without any sticking.

Consisting of: 1 x FlexiRack® baking tray perforated (202368)
1 x FlexiRack® roasting tray non-perforated (202369)
1 x FlexiRack® cup baking tray (202376)

Grilling package

Ill.: MKN-No. 10013931

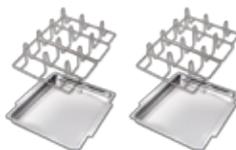

The package for roasting and grilling experts. The special coating of the roasting and grilling accessories enables you to roast and grill meat, fish and antipasti without any sticking and with excellent, even browning. The grill grides also ensure an attractive grid pattern.

Consisting of: 1 x FlexiRack® baking tray perforated (202368)
2 x Grill grid GN 1/1 (10013935)

Chicken package

Ill.: MKN-No. 10013932

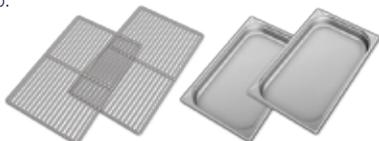

With this package, you can cook up to 24 chickens of up to 1 300 g each at once – golden brown, juicy and with crispy skin. The FlexiRack® drip pan with drain and plug collects the drippings.

Consisting of: 4 x FlexiRack® Chicken grill rack (10017446)
2 x FlexiRack® drip pan with drain and plug (845961)

GN package

Ill.: MKN-No. 10013933

As a basic package for GN use and an ideal addition to the starter package.

Consisting of: 2 x Grid (206104)
2 x Container, non-perforated, 65 mm deep (202037)

FlexiRack® and GN accessories

Frying basket

Ill.: MKN-No. 206050

Made of stainless steel, easy to clean.
Suitable for e.g. french fries, potato wedges, croquettes.

Available in the sizes: FlexiRack®, GN 2/3 and GN 1/1

Granite enamelled tray

Ill.: MKN-No. 202363

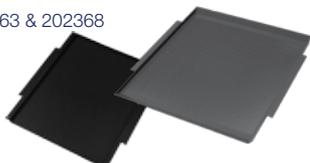

Suitable for roasting e.g. schnitzel, chicken breasts, salmon strips.
Deep variant 40 mm or more, e.g. to collect useful dripping/stock or for braising roasts in their own juices, for baking e.g. cakes, cream puffs.

Available in the sizes: FlexiRack®, GN 2/3, GN 1/1 and GN 2/1

Baking tray – perforated and roasting tray – non-perforated

Ill.: MKN-No. 202363 & 202368

With special non-stick coating.
Perforated variant suitable for e.g. croissants, pretzels, rolls, baguettes.
Non-perforated variant suitable for e.g. schnitzel.

Available in the sizes: FlexiRack®, GN 2/3, GN 1/1 and GN 2/1

Grid

Ill.: MKN-No. 206045

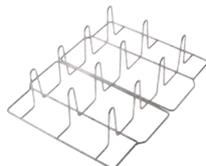

Made of stainless steel, easy to clean.
Suitable for e.g. regeneration of plates, sous vide, cooking large roasts.

Available in the sizes: FlexiRack®, GN 2/3, GN 1/1 and GN 2/1

Chicken grill rack

Ill.: MKN-No. 10017446

Made of stainless steel, easy to clean.
Suitable for chickens up to 1300 g each.

Available in the sizes: FlexiRack®, GN 2/3 and GN 1/1

Drip pan with drain and plug

Ill.: MKN-No. 845961

Made of stainless steel, easy to clean.
Suitable for collecting dripping (recommended in combination with chicken grill racks).

Available in the size: FlexiRack®

Lamb and suckling pig spit kit (all FlexiCombi® 20.1)

Ill.: MKN-No. 10035183

1x Special crosswise rack trolley (10035057) with removable bars on both sides for loading and unloading
Lamb and suckling pig spit (204653) incl. 6 spits (in total, up to 12 spits can be mounted)

6 additional spits can be obtained as a box under the 10034786

GN accessories

Grill grid

Ill.: MKN-No. 10013395

With special non-stick coating.
Suitable for e.g. steaks, antipasti, fish.

Available in the size: GN 1/1

Grill and baking tray

Ill.: MKN-No. 10016907

With special non-stick coating.
Front: with diagonal grill pattern; suitable for e.g. vegetables, fish.
Back: smooth for e.g. rolls, pizza.

Available in the sizes: GN 2/3 and GN 1/1

Cup baking tray

Ill.: MKN-No. 10016907

With special non-stick coating and 11 cups!
Suitable for e.g. fried eggs, omelettes

Available in the sizes: GN 1/1

Container, non-perforated

Ill.: MKN-No. 202037

Made of stainless steel, easy to clean.
Suitable for e.g. pasta bakes, rice, sauces.

Available in the sizes: GN 2/3, GN 1/1 and GN 2/1

Container, perforated

Ill.: MKN-No. 202045

Made of stainless steel, easy to clean.
Suitable for e.g. vegetables, potatoes.

Available in the sizes: GN 2/3, GN 1/1 and GN 2/1

Thermal insulation cover

Ill.: MKN-No. 201792

The MKN thermal insulation cover surrounds the entire banquet dish trolley and doesn't allow any heat to escape. Special insulating materials ensure that the food can be kept warm in the highest quality for up to 20 minutes using the MKN "Perfection" regeneration program. The Thermal insulation cover is easy to clean and can be folded up for storage to save space.

Available in the sizes: FlexiCombi® 6.1, 6.2, 10.1, 10.2, 20.1 and 20.2

WaveClean® two-in-one cleaning cartridge

Ill.: MKN-No. TWO_IN_ONE

The two-in-one cartridge for the MKN combi steamers combines detergent and rinse agent in a single cartridge. There is no direct contact to cleaning agents as they are sealed with a layer of wax.
